NOTE FOR THE DIRECTOR

Bill:

As we understand it, your plan for the House Appropriations statement is as follows:

1. You will want to dictate your own introduction.
2. We are preparing some brief summaries and memory aides to help you address the following allegations:

Ted Szulc
Colson Charges
New York Source
Mail Intercepts
Congressional Files
Surreptitious Entries
The Huston Plan
Fairfax Police
Meany Charges

We will include an updated version of your House Appropriations speech. All changes are between pages 19-32.

3. You already know what you want to say on Angleton and on the 600 newspaper backgrounders, and we do not plan to provide additional information to you on that.
4. You will dictate a strong statement on the need for secrecy--returning to the attack and proclaiming the seriousness of the intelligence business.

We will be standing by all weekend to get the stat produced.
